Accomplished Colorado Plastic Surgeon Receives Full Board Certification

SUMMARY: Dr. Jeremy Z. Williams has recently earned his board certification by the American Board of Plastic Surgery. Dr. Williams graduated from the University of Texas Medical School, and completed seven years of extensive training in plastic, Maxillofacial, reconstructive, and aesthetic surgery at the prestigious Johns Hopkins Hospital. Dr. Williams currently practices with Dr. Randolph C. Robinson at Park Meadows Cosmetic Surgery in Lone Tree, Colorado.

Denver, CO (PRWEB) November 29, 2006 - Dr. Jeremy Z. Williams has received full board certification by the American Board of Plastic Surgery in November 2006. Dr. Williams joins a prestigious group of surgeons recognized for their knowledge and talent in the art of plastic surgery.

Dr. Williams graduated from the University of Texas Medical School, and completed seven years of extensive training in plastic, Maxillofacial, reconstructive, and aesthetic surgery at the prestigious Johns Hopkins Hospital. During his training, he devoted a full year of his training on new innovations in the area of plastic surgical research. He has published numerous articles, authored book chapters on plastic surgery of the face and body, and has presented his work at numerous national and international conferences. Dr. Williams has recently been named an Assistant Clinical Professor in the Department of Surgery, Division of Plastic and Reconstruction Surgery at the University of Colorado at Denver Health Science Center and School of Medicine.

Dr. Williams is in practice at Park Meadows Cosmetic Surgery in Lone Tree, Colorado. He practices with Randolph C. Robinson, MD, DDS, FAACS, who is double board certified by the American Board of Oral & Maxillofacial Surgery and Cosmetic Surgery. Together, Drs. Robinson and Williams offer patients a wide range of cosmetic and reconstructive surgery.

Dr. Williams joined Park Meadows Cosmetic Surgery in July 2005. Founded in May 2000 by Dr. Robinson, Park Meadows Cosmetic Surgery has been providing state-of-the-art cosmetic and reconstructive procedures to patients throughout the Rocky Mountains and across the nation. Together they offer their patients a wide range of services, including abdominoplasty or tummy tucks, facial procedures including rhinoplasty or nose surgery, breast enhancement and reconstruction procedures, liposuction, jaw surgery, and other minimally invasive procedures including Botox and Restylane.
